

## APRIL NEWSLETTER

Well, that was a busy month! We're so proud of every student who took their gradings in March and congratulations to everyone who received new grades. The work begins again in earnest this month, so read on to recap March and remind yourself what we've got in store for April and May beyond.

### *March Recap*

March saw our first gradings of the year, with some of our best gradings to date. Everyone performed strongly and took one step closer to their black belts, and we're already looking forward to the next one in June. But that wasn't all; our TKD Colour Belt workshop was one of our most well-attended in recent memory, and Marcie Harding's Escrima seminar went down a storm with our Escrima students.

### MARCH STUDENT OF THE MONTH

**HARRISON GAY**

Hard work, kindness, consideration and unexpected skills of getting our academy coffee mugs absolutely spotless! Well done Harrison!
