## MEANING OF BELT COLOURS

**RED** Signifies danger, cautioning the student to exercise control and warning the opponent to stay away.

### Joong-Gun Tul (32 movements)

Joong-Gun is named after the patriot Ahn Joong-Gun who assassinated Hiro Bumi Ito, the first Japanese governor-general of Korea, known as the man who played the leading part in the Korea-Japan merger. There are 32 movements in this pattern to represent Mr Ahn's age when he was executed at Lui-Shung prison in 1910.

To be learnt when you are a blue belt, 4<sup>th</sup> Kup.
